Dear Jane, Sally and all the Staff and the Narromine Shire Council

Thank you so much for your generous donation to the Narromine Cancer Support Group. It was very kind of you, especially when there are so many worthy causes out there! We are extremely grateful for your ongoing support.

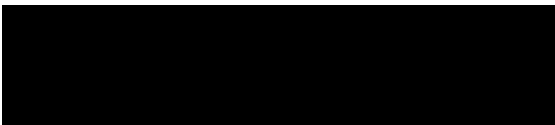

As you probably know, we offer financial assistance to anyone who lives in our shire who has had a cancer diagnosis and who needs to travel to receive treatments. We also have an array of equipment – hospital beds, walking frames etc – that is available for anyone in the shire to use free of charge. The equipment can be accessed via the community nurses or from us directly.

Should you know of someone who requires help, please encourage them to contact us.

Season's greetings to you all.

Again, thank you.

Warm regards,

Nikki McCutcheon
Secretary
