

COUNCIL COLUMN – WEDNESDAY 3 FEBRUARY 2021

The next Ordinary Council meeting will be held Wednesday, 10 February 2021 at Council's Chambers, commencing at 5.30 pm. Following the lifting of the COVID-19 Restrictions, Council has resumed meeting in the Chambers with a maximum of TEN (10) members of the public in attendance. The meetings will no longer be live streamed; however, an audio recording will be uploaded the following day.

DOMESTIC NOISE POLLUTION

Narromine Shire Council is reminding all residents about domestic noise pollution. Noise can be any kind of **offensive noise** including power tools and equipment, lawn mowers, animals, music, domestic air-conditions and motor vehicles. **A full list** of noise restrictions is available on Narromine Shire Council's webpage <https://www.narromine.nsw.gov.au/environment/noise-control-advice>.

MAJOR PROJECTS

Council would like to advise of the following major projects that are currently on public exhibition:

Inland Rail - Narromine to Narrabri proposed by Australian Rail Track Corporation Limited. The Proponent has requested the Minister for Planning and Public Spaces to declare the proposal as critical State Significant Infrastructure.

This section of the Inland Rail project consists of approximately 300 km of new single-track rail line, through private and public property in a "greenfield" environment between Narromine and Narrabri.

The State Significant Infrastructure (SSI) application, Environmental Impact Statement (EIS) and accompanying documents are on exhibition until **Sunday 7 February 2021** and are accessible electronically on the Department's website www.planningportal.nsw.gov.au/major-projects/project/10211

VEHICLE SAFETY

Council is reminding all road users to be extra cautious over coming weeks and months and to take extra care when driving around heavy vehicles and trucks.

Please refer to Council's website, social media and Live Traffic NSW for any updated information on local roads and traffic.

Council also urges all motorists to **be alert on roads and at rail level crossings** in the coming months as grain locomotives continue to use rail lines.

All **unsealed roads remain open** to vehicles with caution due to damage caused by recent rain events. All drivers are reminded not to drive through flood waters. Please be mindful that there is increased traffic on all roads. Remember to plan ahead, slow down and allow plenty of time to get to your destination safely.
