

COUNCIL COLUMN – WEDNESDAY 2 FEBRUARY 2022

NEXT COUNCIL MEETING

The next Ordinary Council meeting will be held on **Wednesday 9 February 2022** at Council Chambers commencing at 5.30 pm. The meetings will no longer be live streamed; however, an audio recording will be uploaded the following day.

WELCOME EVENING FOR NEW RESIDENTS TO NARROMINE SHIRE

Council is hosting 'A Welcome to the Narromine Region evening' and invites all new residents to attend. It will be held on Wednesday 23rd February 2022 at Narromine Aero Club commencing at 5.30 pm, please email mail@narromine.nsw.gov.au or call Council on 6889 9999 to RSVP.

DUNG BEETLE AND CARBON FARMING FIELD DAY

Council's Landcare Co-Ordinator together with Central West LLS will be hosting a Dung Beetle and Carbon Farming Field Day at Bruce Maynard's property, 'Willydah' Mungeribar Lane on Wednesday 16 February 2022. RSVP by 4 February to Will Thorncraft M: 0428 218 938 or email will.thorncraft@lls.nsw.gov.au.

NARROMINE SHIRE COUNCIL - FUTURE 2032 SURVEY

Council is currently reviewing its Community Strategic Plan (CSP). Council is seeking input from the community to help us determine the future, what it looks like now and what improvements can be made to enhance the Narromine region over the next 10 years. In order to find out more and complete the survey please visit Council's website: <https://www.narromine.nsw.gov.au/community/community-strategic-plan-2032>

MIXED INDOOR NETBALL AND SOCCER REGISTRATIONS

Narromine Indoor Netball competition will commence Tuesday 15 February and Indoor Soccer competition on 16 February 2022. Registrations are due on Friday 12 February 2022 and cost IS \$50 per team + \$5 per player each week, all players must be aged 12 years or over. Registrations can be collected from Council or visit Council's website <https://www.narromine.nsw.gov.au/community/indoor-sports> For more information please contact Kaitlin - mail@narromine.nsw.gov.au or 6889 9999

MOSQUITOES ARE A HEALTH HAZARD

Recent rainfall and flooding have generated high levels of mosquito populations in the Narromine Region. Mosquitoes have the potential to transmit viruses such as Ross River and Barmah Forest. Helpful information is available from NSW Health website <https://www.health.nsw.gov.au/Infectious/factsheets/Pages/mosquito.aspx>
