VEHICLE SAFETY DURING HARVEST 2022

Council is reminding all road users to be extra cautious over coming weeks and months and to take extra care when driving around heavy vehicles and trucks. Council also urges all motorists to **be alert on roads and at rail level crossings** in the coming months as the grain harvest continues.

ANIMAL SHELTER IS AT FULL CAPACITY

Council's Animal Shelter is currently at full capacity and is unable to accept any further animals until further notice. The surrender cages are also closed. Residents are advised to call Council on 68889 9999 during normal business hours, in order for Council's Senior Ranger to help assist with suitable arrangements for any animal that is to be surrendered.

ROAD CLOSURES and ROAD SAFETY

Up to date road closures and information is available on Council's website, by phoning council or via social media channels. Motorists are reminded to proceed with caution on all roads. For information about Narromine Shire Council's roads go to www.narromine.nsw.gov.au/residents/road-conditions Live updates, traveller information and personalised alerts for all NSW roads visit www.livetraffic.com/

All motorists are reminded not to drive through floodwaters and to drive to the conditions of the road. Water that is covering roadways may be deeper and faster flowing than anticipated and/or the road may have suffered extensive damage hidden beneath the water.

Flagrant and irresponsible disregard for this appeal could lead to prosecution to the full extent of the law. In life threatening situations call 000 (Triple Zero) for emergency help in floods call the NSW SES on 132 500.

MOSQUITOES ARE A HEALTH HAZARD

Due to recent heavy rains and flooding, it's important to protect yourself and others against mosquito bites and acquiring mosquito-borne diseases. Help protect yourself and your home.

- Cover up as much as possible.
- Use an effective insect repellent on any exposed skin.
- Use insecticide sprays, vapour dispensing units (indoors) and mosquito coils (outdoors) to clear rooms or repel mosquitoes from an area.
- Cover all windows, doors, vents and other entrances with insect screens.
- Remove any water-holding containers outside the house where mosquitoes could breed.
