PUBLIC NOTICE – OVERGROWN VEGETATION

Council is receiving complaints about overgrown vegetation on vacant, residential, and commercial land. Overgrown allotments can become breeding grounds for vermin and pose significant fire hazards due to the dense grasses, weeds, and other vegetation. Council is urging all property owners and occupiers in Narromine, Trangie and Tomingley to actively reduce vegetation on their premises.

If you can't manage it yourself, there are local businesses and contractors available to assist you. For any enquiries about overgrown land, please contact Council's Health, Building, and Environmental Services Team at 6889 9999.

REGISTER AND MICROCHIP YOUR PET

There are legal requirements to microchip your pets by a certain age, but did you know you also have to register your pets? Registering your pets can give you the ability to assign and update your pets' details if you move addresses, change contact details or in the case of a change of ownership.

Working dogs do need to be microchipped and registered, though registration is at no charge. Find out more about keeping your best mate safe by visiting:
