Council asks residents to take note of any traffic management measures in place and exercise caution when travelling through the area. The project is expected to be delivered over a six-month period with completion by 30<sup>th</sup> June 2025, weather permitting. There will be various intermittent road closures during this time with detours and traffic management in place throughout different stages of the project.

**REGISTER AND MICROCHIP YOUR PET**

There are legal requirements to microchip your pets by a certain age, but did you know you also have to register your pets? Registering your pets can give you the ability to assign and update your pets' details if you move addresses, change contact details or in the case of a change of ownership. **Working dogs do need to be microchipped and registered, though registration is at no charge.** Find out more about keeping your best mate safe by visiting: [www.petregistry.org.nsw.gov.au/owners/microchipping](http://www.petregistry.org.nsw.gov.au/owners/microchipping)
