With multiple road improvement projects currently underway across the Shire, Council urges all motorists to exercise caution when approaching and driving through roadwork

It is essential to follow all signage, adhere to the designated speed limits, and comply with directions from traffic controllers. The safety of both drivers and road workers depends on responsible and attentive driving.

REGISTER AND MICROCHIP YOUR PET

There are legal requirements to microchip your pets by a certain age, but did you know you also have to register your pets? Registering your pets can give you the ability to assign and update your pets' details if you move addresses, change contact details or in the case of a change of ownership. **Working dogs do need to be microchipped and registered, though registration is at no charge.** Find out more about keeping your best mate safe by visiting: www.petregistry.nsw.gov.au
